

NOTICE FROM THE FACULTY SENATE OF THE SCHOOL OF LAW  
TO THE STUDENTS OF  
THE UNIVERSITY OF WEST LOS ANGELES

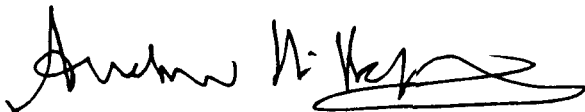

In response to numerous student inquiries to faculty and staff this Notice is to inform the students of recent developments. We hope hereby to alleviate some of your concerns.

The faculty and staff have, for some time, been extremely concerned about the management and direction of the University. Therefore, after the most extensive deliberations, and with regret, on Thursday, March 24, 2005, the Faculty Senate of the School of Law, comprising 12 faculty members, including all full-time faculty, formally notified the Board of Trustees of its concerns and of its unanimous vote that it has no confidence in the President and the CFO. Many other faculty and the majority of staff signed in support of the Faculty Senate's resolutions.

On April 7, designated faculty and staff representatives met with the Board of Trustees, the President and CFO, and presented several specific proposals to the Board for immediate action. The Faculty Senate is currently attempting to work with the Board to resolve the situation.

The faculty and staff will continue to do all in their power to provide you with the best possible education.

Dated: April 15, 2005
